

Veterinary Practice Marketing *Advantage* Program

Questions & Answers –

● What is the Marketing Advantage Program?

It's like having a marketing design firm in your hospital. We will design and print customized practice brochures, pet health brochures, pet health newsletters, postcards and other client communication materials for your practice – **FOR FREE or at substantial savings!**

● Why choose our Marketing Advantage Program?

Competition is growing – The Internet, Pet Super Stores and other are all after the consumer's pet dollar. With a cool economy and ever changing marketplace it's time for any veterinary practice to review their client communication marketing plan.

Business consultants regularly advise that successful businesses must market their services. If you are too busy to market yourself correctly, then you might be feeling the consequences of a changing marketing place. Let us help you take the next step to increase client communication, client loyalty and practice growth with our VETERINARY PRACTICE MARKETING ADVANTAGE PROGRAM.

● What does it cost?

The charge for program enrollment is \$59 followed by a monthly participation charge of \$79 billed to your credit card. There is a one year commitment.

● What **SAVING ADVANTAGES** will you receive?

You will receive **15% SAVINGS** off the regular price for the printing of any project we design for you.

Design charges for all regular tri-fold brochures, postcards, business cards, and dental report cards are done at **NO CHARGE**. Design charges for all other projects, such as 4-panel brochures, Puppy Booklets, Pet Health Records, Clinic Forms, Vaccination and Pet Health E-mails, receive a **50% DISCOUNT** off our regular design fee.
