

Pet Health Awareness Floor Graphics

What is a floor graphic?

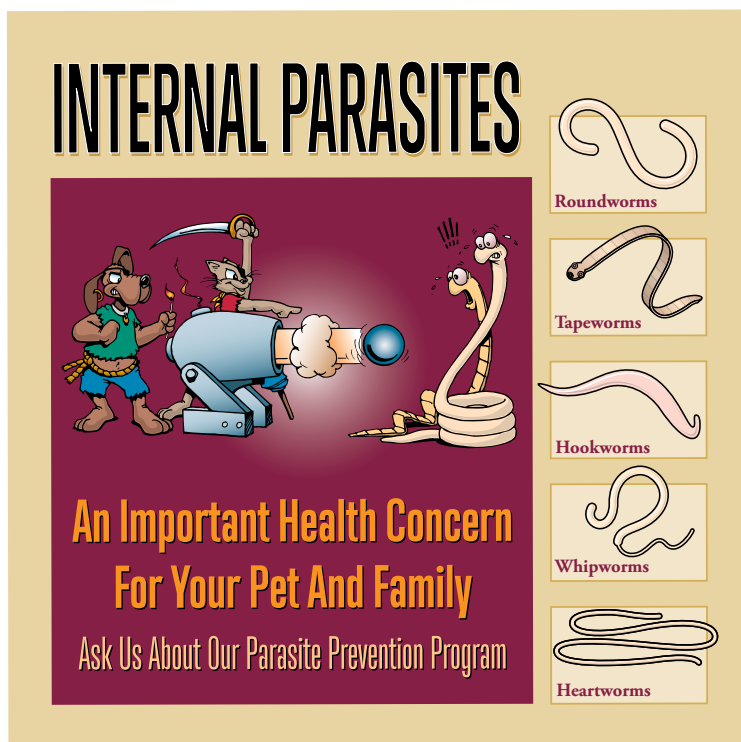

It's an exciting technology and powerful communication tool. These colorful graphics adhere to the floor in your reception area or exam rooms. The system can be applied directly to the surface of any waxed vinyl, sealed concrete, marble terrazzo, ceramic tile or finished wood floors. Available in your choice of pet health themes, floor graphics can be easily removed at the end of your pet health awareness program.

PET HALITOSIS!

Ask Us About Our Dental Health Vaccine!

Bad breath is not normal... it's a sign of disease.

INTERNAL PARASITES

Roundworms

Tapeworms

Hookworms

Whipworms

Heartworms

**An Important Health Concern
For Your Pet And Family**
